

Hon'ble Irshad Hussain, J.

None appears for the petitioners.

Heard Sri G.S.Bisht, learned counsel for the respondent.

The petition was filed alleging non-compliance of the order dated 20.03.2001. The reply of the respondent is that the compliance has been made by considering the case of the petitioners for appointment under dying harness rules by a speaking order by the competent authority. The copy of the order passed, is Annexure CA-1 to the counter affidavit. It indicate that the case of the petitioners claim had been considered and their claim had been rejected. It is, thus, obvious that the compliance of the order has been made and there is no violation of the impugned order. The petition is not maintainable.

Notice is discharged
